Greetings fellow junior officers! I am a second year JOAG Voting Member and will be serving as JOAG's Executive Secretary for the 2015-2016 operational year, as a member of the Executive Committee. I am excited this role and am grateful for this opportunity. Previously, I served as the JOAG Executive Secretary and a member of the Executive Committee during the 2014-2015 operational year. Prior to this role, I served as Co-Secretary of JOAG's Recruitment and Retention Committee for two operational years.

My current duty station is at FDA's Office of Medical Products and Tobacco Operations, Division of Medical Products and Tobacco Inspections, Medical Products and Tobacco Trip Planning Branch, in Rockville, MD. I graduated from the University of Florida in 2005 with a Bachelor of Science in Food Science and Human Nutrition, specializing in Nutritional Sciences. In 2008, I graduated from the University of Florida with a Master of Public Health, concentrating in Environmental Health. I commissioned with USPHS in 2009 as a Health Services Officer.
