Performance Request Submission Process

Background

The United States Public Health Service (USPHS) Commissioned Corps Music Ensemble consists of USPHS Commissioned Corps Ensemble Groups located in Washington DC; Atlanta, GA; Butner, NC; and Dallas, TX. In addition, the Ensemble includes musicians located throughout the United States, outside of these regions.

All the musicians and support personnel in the Ensemble Groups are USPHS Commissioned Officers who volunteer their own time and resources to perform and support requests. The musicians and support personnel are *not* reimbursed for performance-related expenses.

Performances by the Ensemble usually include, but are not limited to, the National Anthem and the PHS March. Given sufficient advance notice, any of the groups *may* be prepared to offer additional classical, patriotic, and/or popular musical pieces.

For more information, go to the [USPHS Music Ensemble's website](#).

Performance Request Submission

Please submit the following Performance Request Form to the Ensemble Executive Administrative Assistant, request@phsemble.org. Typically, the Requestor will be given a definitive answer related to the Music Ensemble's ability to support the request within ten working days (10 working days) of receiving the Performance Request Form.

Requestors should submit the Performance Request Form at least 30 days in advance of the event. For performance requests with complex logistics (such as joint choral/band requests, performances at conferences or for concert series, and requests involving travel), requests should be made well in advance (i.e. 3 to 12 months in advance of the event).

In order to process the request in a timely fashion, the Requestor may be asked for additional information. Furthermore, Requestors are encouraged to maintain contact with the assigned Group Leader(s) after receiving confirmation of the Music Ensemble's ability to support the event.

Requestors should also be cognizant of the following:

- Performance requests received less than 30 days prior to the date of the event may be difficult to fulfill. The shorter the lead time of the request, the less likelihood of the Ensemble being able to accept the request.
- In rare cases, unexpected situations (such as deployment and inclement weather) may arise and affect the ability of the Ensemble to perform.

Frequently Asked Questions (FAQ)

Q: What types of events does the USPHS Commissioned Corps Music Ensemble support?

A: The Music Ensemble considers each request on a case-by-case basis. The Music Ensemble considers many aspects of the request, such as the venue, the availability of Music Ensemble members, the complexity of the request, and ethical considerations. The Music Ensemble has supported events associated with the Department of Health and Human Services (DHHS) and non-DHHS organizations. The Music Ensemble has supported many types of events, including promotion ceremonies, retirement ceremonies, conferences, and concerts.

Q: How do I obtain an update on my request?

A: Prior to receiving confirmation of the Music Ensemble's ability to support an event, please contact the Ensemble Executive Administrative Assistant. Afterwards, please contact the assigned Ensemble Group Leader.
